About Us

MOMO Fashions Ltd. stands as an eminent hub for garment production, exclusively geared towards exports, located in the vibrant heart of Bangladesh's fashion industry.

At MOMO Fashion Ltd., we pride ourselves on our three core pillars: quality, in-time production and shipment, and competitive pricing aligned with the exceptional quality of our products.

Our Merchandising Team works together smoothly behind the scenes, while our experienced Quality Assurance Team carefully oversees every step from creating samples to shipping the final products.

MOMO Fashion Ltd. is not just a manufacturer; it's a promise of unparalleled dedication to excellence in the dynamic world of fashion.

Sustainability

- Momo Fashions Ltd is deeply committed to sustainability, prioritizing products that blend functionality with environmental responsibility.
- Our ethos balances progress and preservation, with a keen focus on minimizing waste and safeguarding natural resources. This commitment extends beyond mere promises; it is a guiding principle shaping every aspect of our operations. Conservation is imperative to us, leading us to scrutinize the intricacies of nature and actively limit annual waste generation.
- Our goal is to set a standard of responsible business practices that transcends time, reflecting our unwavering dedication to the planet's well-being and the preservation of its invaluable resources.
- At Momo, sustainability is not just a goal; it's a fundamental principle driving positive change.

Our Growth Plan

Reach To Us
